Salt Lake City, Utah (December 4, 2009) – Dynatronics Corporation (NASDAQ: DYNT) announced it has signed a sole-source vendor agreement to provide therapy equipment and rehab supplies to Benchmark Physical Therapy with 65 clinics located in Tennessee and Georgia.

“We are pleased to be named the sole-source supplier to Benchmark Physical Therapy,” said Larry K. Beardall, executive vice president of sales and marketing at Dynatronics. “Benchmark is known for their excellent track record in establishing successful physical therapy services. Their network of clinics provides quality physical and occupational therapy services and produce outstanding outcomes for their patients.”

According to Jeff Londis, Owner of Benchmark Physical Therapy, “We are excited to be working with a company as respected and ingrained in the PT arena as Dynatronics. Their commitment to clinical excellence, quality products, and innovation parallels ours so this relationship was a natural fit.”

Dynatronics has been actively seeking contracts with large chains of clinics, hospitals and group purchasing organizations (GPOs). “Our goal is to become the premier supplier of physical medicine products to our industry,” added Beardall.

Dynatronics manufactures, markets and distributes advanced-technology medical devices, orthopedic soft goods and supplies, treatment tables and rehabilitation equipment for the physical therapy, sports medicine, chiropractic, podiatry, plastic surgery, dermatology and other related medical, cosmetic and aesthetic markets.
