## **Dynatronics Inks Preferred Vendor Agreement with 1,100 Member Preferred Therapy Providers, Inc.**

Salt Lake City, Utah (December 15, 2009) – Dynatronics Corporation (NASDAQ: DYNT) announced it has signed a preferred vendor agreement to provide therapy equipment and rehab supplies to Preferred Therapy Providers, Inc. (PTP), a nationwide network of physical, occupational and speech therapy clinics.

“We’re thrilled to be working with Preferred Therapy Providers,” said Larry K. Beardall, executive vice president of sales and marketing at Dynatronics. “Their vast network of 1,100 clinics is the largest rehabilitation network of its kind, representing private practice therapists across the country.”

According to Jaxene Hillebert, president of Preferred Therapy Providers, “This agreement represents an important step forward for our network of clinics. Dynatronics not only offers us the equipment and supplies our network membership needs, but provides them at extremely competitive prices – a real value to our members. This agreement will further our goal of offering centrally managed, single-source contracting and proactive solutions that enhance service quality to our members.”

Dynatronics continues to actively seek contracts with large chains of clinics, hospitals and group purchasing organizations (GPOs). “With the support of premier chains of clinics such as Preferred Therapy Providers, we are making important progress in our goal of significantly increasing market share in the physical medicine market,” added Beardall.

Dynatronics manufactures, markets and distributes advanced-technology medical devices, orthopedic soft goods and supplies, treatment tables and rehabilitation equipment for the physical therapy, sports medicine, chiropractic, podiatry, plastic surgery, dermatology and other related medical, cosmetic and aesthetic markets.
